

**Johnstown-Cambria County  
Airport Authority**

---

479 AIRPORT ROAD, JOHNSTOWN, PA 15904

**PUBLIC NOTICE**

January 4, 2022

**To:** General Public and All Domestic Air Carriers and Foreign Flag Air Carriers Operating at the John Murtha Johnstown-Cambria County Airport

**Subject:** Notice of Intent to File an Application to “Impose and Use Passenger Facility Charges” at the John Murtha Johnstown-Cambria County Airport

Dear Sir or Madam:

The Johnstown-Cambria County Airport Authority (JCCAA) is planning to file with the Federal Aviation Administration (FAA) an “Application to Impose and Use PFCs” at the John Murtha Johnstown-Cambria County Airport.

As required under Section 158.23 of Federal Aviation Regulations (FAR) Part 158, “Passenger Facility Charges (PFC),” effective June 28, 1991, the JCCAA is hereby providing written notice to all domestic and foreign-flag air carriers operating at the John Murtha Johnstown-Cambria County Airport of its intent to file an application to “Impose and Use PFCs” with the Federal Aviation Administration (FAA).

There is a continuation of the current program under which the approvals of the original “Application to Impose” along with Subsequent “Applications to Impose and Use,” “Applications to Use,” and amendments, established the initial charge effective date of November 1, 1993, the current estimated charge expiration date of May 1, 2023, and a total estimated net PFC revenue of \$4.50 per enplaned passenger. Under the new application, the total estimated net PFC revenue will be \$94,651,000.

The new application to “Impose and Use” will allow collection of PFCs for completed redevelopment projects from 2013-2020 at the John Murtha Johnstown-Cambria County Airport. The following paragraphs provide the information required under Section 158.23(a) of FAR Part 158:
